1. Please provide any additional written comments on the instructor's strengths and weaknesses.	Maybe meet once a week to engage with the topic and to discuss it over something then posts. Discussion posts = the devil. Doing the same thing every week gets boring.
2. Please provide any additional written comments on the instructor's strengths and weaknesses.	I absolutely loved your class. I loved watching the videos you posted. With this online course, I believe you did an amazing job with everything.
3. Please provide any additional written comments on the strengths and weaknesses of the course. You may comment on such things as the use of assignments, text(s), exercises, exams, etc.	Loved this class! Nothing needs to be changed!
