Instructor been very helpful and use his time to help me when I needed help
I like that he makes sure to call on every student that raises their hand and replies to their comment as well.
I loved the feedback in this course. The updates were helpful in providing feedback and the mid semester meeting with Rory was also helpful. He cares a lot in our success and failure isn't frowned upon. Great, informative instructor. I had no problems with the setup of the course. Any questions I had were answered either in the syllabus or by Rory himself.
Rory is an awesome professor.
Rory was awesome, I enjoyed his class greatly and I think he is a great teacher.
Very involved with students. Tried as hard as he could to make student's understand course material
Dr. Lee is a great professor. He understands when we have a problem and helps us work around it. He makes sure we have all the materials we need to get our work done. He is also very understanding when it comes to our projects.
Awesome professor!

The lack of grades on Blackboard makes me anxious about my standing in the class

Allowing us to handle grading for projects was a great way to help of us feel engaged in the grading process.

Grading system was at times unclear

This course has taught me a lot of things through the projects we did. I learned a lot about women as authors, how to start our own campaigns, and how to make a digital portfolio. However, I wish there was more time between all of the projects, that way I didn't have to feel like I'm working on three projects at the same time.

Love this course! Very applicable to all majors.
