Best professor i've ever had. He's incredibly thought provoking and competent while also being approachable and friendly.
Fantastic class: challenging assignments, great passion for his work and the content of the class.
You can tell he truly cares about each and every one of us. It's rather refreshing. The time, effort, and patience he puts into his lengthy, well-advised feedback for our assignments is extremely respectable. However, he's no pushover. He will challenge you to stand up for your defense.

The course, as taught by Rory Lee, exceeded my expectations for a 200 level class. The content and scope of ideas discussed and explored is great, everyone should take a note from his playbook.	
This is the best class I've taken this semester, by far.	
I really enjoyed the entire class, especially the remix/remediation project.
